
Sheila Moyer

FINANCIAL MANAGER

With a diverse background in roles ranging from economist to financial manager to college instructor, Sheila brings valuable number skills to the team at ODEA. Working with a team of creatives, Sheila keeps the balance and helps ODEA stay grounded when it comes to operational procedures.

Sheila's responsibilities pertain to all things financial - from maintaining the financial system and preparing reports to payroll, payables and receivables. Her strength as a financial manager comes from her focus on the details. By being attentive to financial and operational detail, Sheila adds true value to the overall team. Ensuring that processes are running smoothly and accurately is something Sheila prides herself on.

Sheila has a Bachelor's Degree in Economics from Wittenberg University and an MBA from Xavier University.
