
Chelsi Hardin

ACCOUNT COORDINATOR

Organization is Chelsi's middle name. As an Account Coordinator for ODEA, she helps the team stay in sync and manages all the little details that keep operations running smoothly. From internal operations to project management to planning meetings and events, Chelsi is core to the success of the firm.

Chelsi's passion is rooted in her desire to support her team during projects from start to finish. She never feels limited to one area within a project, rather she strives to see how every moving part works and looks to contribute her talents where needed. Chelsi enjoys the deep dive process of research and sorting through every word of an article to find what she needs. She's motivated by thinking of every day as an opportunity to continue her education.

As a previous Legal and Executive Assistant at Big River Steel, Chelsi is familiar working in fast-paced environments and executing several projects at once. She prides herself on her flexibility and attention to detail when under pressure and tight deadlines.

Chelsi holds a Bachelor's Degree in Psychology with a minor in Sociology from Arkansas State University.
